Letter from the President & CEO

Dear Friends,

As Houston Children's Charity enters into its 22nd year, I continue to be in awe of the strides we've made together for the special children in our community. Each step we take that furthers our mission would not be possible without our supporters and volunteers – you are the heart of our organization.

We began 2018 with a record-breaking Gala – both in attendance and funds raised. The success of this event has ensured that our special children will continue to receive access to health care, a bed to sleep on, clothing, school supplies and even the basic holiday joys in life that they need to thrive.

We then continued that momentum as our office moved into what will be Houston Children's Charity's "forever home" at the Post Oak Hotel. I know that

the future of Houston Children's Charity will grow and prosper for years to come in our new home.

I have never been more proud to lead this organization and I look forward to another year of serving the underprivileged, abused and disabled children right here in Houston. On behalf of the Board of Directors, we thank each of you for your commitment and the difference that it continues to make throughout our community and the special children we serve.

Warm Regards,

Laura

Houston Children's Charity 21st Annual Gala

Combining months of preparation, three date changes, generous sponsors, special guests and a record-breaking number of attendees, the **21st Annual Gala on March 23, 2018** was one of the most memorable evenings of the year. Held in the newly opened ballroom of **The Post Oak Hotel** with a jaw-dropping performance by world-renowned artist, **Pitbull**, the evening symbolized the unbreakable spirit of Houston.

The sold-out gala, which was the first black tie event to be held at the new venue, was chaired by **Leticia & Stephen Trauber** and honored **Penny & Paul Loyd, Jr.** for their continued generosity and support. **BMW of West Houston** and **Momentum BMW Southwest** served as the event's **Title Sponsors** for an **unprecedented 10-year run!**

Upon arrival, party-goers mixed and mingled while they enjoyed hors d'oeuvres and cocktails, including a signature libation crafted by Landry's mixologist and Houston Children's Charity CEO, **Laura Ward**.

As the dinner chimes rang, nearly **750 guests** were ushered into the Grand Ballroom, which had been transformed to mimic a Hollywood stage set for show-stopping elegance.

No detail was spared in the preparation of the extraordinary triple entrée dinner, created by **Jean Luc Royere**, the executive chef at The Post Oak. It began with a unique chopped salad followed by plates of surf and turf and finish off with chocolate cherry mousse cake beautifully laden with edible gold dust.

Following dinner, guests participated in exciting live and big board auctions. Sought-after items included a trip to the home plant of the BMW Group in Munich, Germany to pick out your 2018 all new BMW M5 purchased by prominent Houston attorney, **Tony Buzbee**; Sir Anthony Hopkins original artwork; a golfer's dream – one round of golf for four, with lunch, at 15 premier U.S. courses; a VIP Golden Nugget Las Vegas experience where four couples will fly aboard **Tilman Fertitta's** private jet for two nights of pure luxury; and a road trip with the Rockets where four guests will have a once in a lifetime opportunity to travel with the team on their chartered plane to an out of town game! Top bidders include, **Trini Mendenhall**, **Amy & Rob Pierce**, **Penny & Paul Loyd**, **Youval Meicler** and **John Johnson**.

The excitement didn't stop there! The highlight of the night was when world-renowned artist, **Pitbull**, aka "Mr. Worldwide," took the stage to perform, creating an instantly-packed dance floor.

The annual event raised a record-breaking **\$2.2 million** for Houston Children's Charity's various programs focused on improving the quality of life for Houston's underprivileged, abused and disabled children who might otherwise be left behind.

Rockets Team Up

Houston Rockets head coach **Mike D'Antoni** and his wife **Laurel** teamed up with Houston Children's Charity's **"A Better Night's Sleep"** program to provide 200 beds to families in need that were impacted by Hurricane Harvey in August of 2017.

The D'Antoni's along with HCC President & CEO, **Laura Ward**, were on site at **Christian Tabernacle Church** in East Houston to help distribute the beds, which were provided by Houston Charity. Every child received a mattress, box spring, frame, sheets, pillow and a blanket.

A Better Night's Sleep

Since the launch of the "A Better Night's Sleep" initiative in 2007, Houston Children's Charity has donated over 24,000 beds!

HCC Helps Students Get Back2School!

FOR THE 9TH CONSECUTIVE YEAR, **The Rod Ryan Show**, from **94.5 The Buzz**, has lead the way in helping to get our special children **"Back2School."** Each year, Rod Ryan and his crew team up with local businesses to raise funds through a radio campaign and sales from their online store created by **Brand Management Systems**. Every purchase made online went to providing backpacks full of supplies for underprivileged, school-aged children in the Greater Houston Area.

Volunteers from **Greystar**, **Whataburger**, **Methodist Hospital I-Care**, **Asurion**, **Landry's Inc.**, **CarMax Auto Superstores Inc.** Cypress, **Young Houstonians for Houston Children's Charity**, **U.S. Coast Guard**, **Consolidated Services of North America**, **SP Waltrip Lodge**, **Inframark**, **Community Associations Institute** and **Briggs Equipment** helped distribute more than **3,000 backpacks** on **August 18, 2018!**

For the third year in a row, **Asurion** donated uniforms for children in need who are required to wear a uniform to school. This year, they raised enough to purchase **168 uniform sets plus an extra 85 polo shirts!** We'd also like to give a special thanks to **ACME Party & Tent** who donated the large tent for our distribution this year.

Additional sponsors for the 2018 Back2School program include: **Which Wich?**, **PrimeWay Federal Credit Union**, **Whataburger**, **Squeezed**, **Mellow Mushroom**, **Joe Myers Toyota**, **Arnold & Itkin LLP**, **Maddy's Book Drive**, **Charles E. Dyer IV, D.D.S., M.S.**, **Raising Cane's**, **Rainforest Café**, **501st Legion**, **Wyndam Houston West Energy Corridor**, **Fuego Stores**, **Eric Berger**, **Houston Methodist**, and **Plan.net Marketing**.

We'd like to thank all of our sponsors for their unwavering support. With their help, we're able to supply thousands of students in our community with the supplies needed to succeed in school.

HCC HERO Spotlight: Vanessa Henderson & Asurion

- **Which came first...Vanessa's volunteering or Partnership with Asurion?** How did you get involved with HCC? Asurion's Compassion Forward team connected with HCC due to a lot of similar goals and challenges around our youth in Houston and education.
- **What year did the partnership with Asurion begin?** 2015.
- **Asurion has been involved in most every program, what's the driving factor?** Most all the programs that HCC sponsors are efforts that our Houston site was contributing to throughout the city. Working with HCC has made what we do easier and made for a more seamless partnership.
- **List the programs you have volunteered for HCC.** Toys for Tots distribution; Annual Christmas & Easter Parties; Back2School; HCC Closet; A Better Night's Sleep; and the Annual Gala.
- **Is there a moment that stands out to you?** A part of my fabric is the type of work that HCC does in the community. Each time I volunteer with HCC, I get that same feeling of heart felt compassion of "servant leaders." This makes you want to give more and more of your time with HCC.
- **What does the future hold?** Hmm, that I am not sure, but I am pretty sure it will be "most delightful"! I will continue to give of my time with the HCC organization.
- **Do you have any advice for someone who is considering becoming an HCC volunteer or a company that is looking for a charity to partner with?** My advice would be "Get in where you can fit in." Surely the "children are our future" and if we don't give back, how will they know how it is done. We must help lay down the foundations.
