Laura S. Ward, President & CEO of Houston Children’s Charity, presented a $35,000 check to Susan Sarofim, Co-Founder of TEACH – To Educate All Children. This is the second donation in 2 years for the sponsorship of Blackshear Elementary School. These funds provide limitless possibilities for the scholars, teachers, faculty and the entire Third Ward Community.

School climate is a critical factor that determines the overall success of a campus. TEACH is helping this campus create calmer and safer classrooms, which is a recipe for increased student engagement and academic achievement. TEACH provides the skills and coaching that allow teachers to preserve their energy and focus on what matters most: relationship building, teaching and learning.

Educators are provided intensive training in de-escalation and conflict resolution to promote calmer and more productive classrooms, decreasing disciplinary referrals and improving student achievement. Blackshear Elementary School has 400+ students that are enriched beyond measure by this continued training and coaching.

Houston Children’s Charity is proud to partner with TEACH to provide these bedrock services to Blackshear Elementary School.

A Pandemic Couldn’t Stop This Day!

As events all over our city, state, and the world are being postponed, rescheduled, or even canceled, Houston Children’s Charity has brought positive momentum and smiles to faces during a dark time. On Tuesday, May 19, 2020, Tilman Fertitta, HCC Chairman of the Board and owner of Landry’s, Inc., opened the doors of Willie G’s Seafood and hosted a Chariots For Children van distribution instantly transforming the lives of Houstonians.

Practicing social distancing, HCC President & CEO, Laura S. Ward, personally welcomed everyone on this very special day. She proudly announced each family and introduced SIX wonderful children. During each presentation, van sponsors handed over the keys to the brand new wheelchair-accessible vehicles. One of the most unforgettable moments jumped-started our day when the entire audience sang Happy Birthday to van recipient Christopher – who joyously celebrated with us a few days early. Simply AMAZING!

These SIX vehicles awarded were through partnerships with Adaptive Driving Access and the individual van sponsors: Amy & Gary Becker Foundation, Briggs Equipment, Donne Di Domani, Stewart Title Commercial, TD Securities, Texas Mattress Makers, Valero Benefit for Children and Young Houstonians for Houston Children’s Charity. Laura announced that even after today’s distribution, our Chariots For Children program will still have a wait list that we must meet head-on.

This program has been dedicated to providing the freedom of mobility to those who have had restricted access to transportation since 1997. Recipients obtain an efficient and safer way to travel, as a family, to much-needed treatments and doctor’s appointments, but also to travel to new places that were once unattainable. Since its inception, Chariots For Children has raised over $7 million and awarded 91 passenger vans, 132 wheelchair-accessible vehicles, 3 box trucks, 1 car, and 2 vehicle modifications to 95 agencies and 132 individual families.

In The Crowd: Lora & Jason Adams, Doreen Anderson, Lydia Goins Blackwell, Lu Caltagirone, Betty Castillo-Smith, Rachael Gordon, Youval Meicler, Alexies Peltsier, Bullet Ramirez, Carol Sawyer, Michael Walter, and Dr. Mary Ann Reynolds Wilkins. Also in the attendance were HCC Board Members Gary Becker, and his wife Amy, Rob Pierce, and his wife Amy, and Bob Ogle. We would also like to extend our thanks to our TREMENDOUS volunteers who helped us with this event: Allen Hord, Kim & Craig Finnigan, and Stevie Merrill.

On the evening of Tuesday, February 25, 2020 sponsors, donors and friends of the charity gathered to celebrate the underwriters of Houston Children’s Charity’s 23rd Annual Gala. Hallie Vanderhider, Gala Chair, opened her home on Fat Tuesday to host the Underwriter Party. The festivities began with HCC President & CEO, Laura S. Ward, welcoming everyone and praising the efforts of this year’s Gala Chair.

While introducing Title Sponsors from BMW of West Houston (General Manager Maria Moncada Alaoui) and Momentum BMW Southwest (General Manager Tommy Kuranoff), Hallie enlightened everyone that, upon arriving, they walked past the all-new BMW Z4 M40i. She thanked them for their unprecedented generosity as Title Sponsors for the 12th year in a row. Hallie presented awards to the Underwriters in attendance Sue Smith, Amy & Gary Becker, and Betty Castillo-Smith. Laura, expressing gratitude to Hallie, presented her a beautiful Kosta Boda vase. Awards were presented to Rachael Gordon, Past Chairman and Co-Founder of Young Houstonians for Houston Children’s Charity, and longtime volunteers Kim Finnigan and Maricella Reed.

In The Crowd:
Margaret Alkek Williams, Ilene Allen and Doug Vrooman, Fady Armanious and Bill Baldwin, Lu & Tom Cataglione, Michele & BobChriste, Sandra Smith-Cooper & Michael Cooper, Chita Craft, Grant Guthrie, Tracy & Harry Faulkner, Cyndy Garza Roberts, Brigitte & Bashar Kalai, Bill King, Donna & Norman Lewis, Rania & Dr. Ramy Mankarious, Youval Meidler, Dr. Lois Moore, Ruchi Mukherjee, Elizabeth & Tom Netting, Judy Nichols, Debbie & Bob Ogle, Shelley Reeves, Peter Remington, Rachelle Rowe, Carol & Dr. Tom Sawyer, Sanford Steinberg, Dr. Mary Ann Reynolds Wilkins, Gaye Lynn & Stuart Zarrow and Sherri Zucker.

Photographer Daniel Ortiz captured the night’s memories. Tony’s catered the event of nearly 100 guests. Awards were donated by Neiman Marcus. Every guest left excited and understood that the focus was to help eliminate the wait list for our program.

As we entered 2020, we were riding on the high of our 2019 accomplishments. Flipping through the highlights, it was one of our best years ever! In facing a new decade of commitment, to continue the journey we began in 1996, nobody could have predicted we would be amid a global pandemic. Even though we must brace the new “normal,” we are dedicated to serving the underprivileged and special children of the Greater Houston area.

We are grateful for the generosity of our sponsors and donors, as well as the tireless efforts of our dedicated volunteers. Without each of you our various programs would not have seen such a success!

We would like to thank you for wholeheartedly being a part of our mission. We are looking forward to much more in 2020 when COVID-19 begins to release its hold on us. We are so happy to have you on our team.

The leadership of Houston Children’s Charity – our Board of Directors and myself – thanks you for joining us as we move forward and plan great things.

Please join us Saturday, February 6, 2021 for our 24th Annual Gala. We cannot wait to see you!
We have altered the way we provide services to our clients. Our distributions have become “No Contact” events. This is for the health and safety of all involved during these uncertain times. Hopefully each client who attends an HCC event will have peace of mind and will leave knowing that we did everything possible to protect them during that distribution.

Protecting Ourselves and Others
Everyone can help prevent the spread of respiratory illnesses with protective actions. Houston Children’s Charity has taken steps to protect Board Members, Staff, Volunteers and Clients during our scheduled events.

# of Years Volunteering – 20+ years

• List the HCC programs that you have volunteered for. All of them! My favorite program is giving handicap adaptable vans to those families that struggle with caring for children with disabilities (and serving as Mrs. Claus of course).
• Why did you decide to become a volunteer? The slogan “Our Kids Are Everybody’s Kids” and since they are our future, they all deserve a helping hand and assistance with meeting their needs.
• What do you like best about serving as a HCC volunteer? I love being a small part of such a big impact in the lives of so many children who, without the assistance of HCC, would go without the bare essentials every child deserves.
• Do you have any advice for someone who is considering becoming an HCC volunteer? JUST DO IT! Though it pulls at your heartstrings, there will not be a more rewarding experience than giving your time and talents to such a worthy cause – you are making a difference in the lives of those who, due to circumstances beyond their control, truly deserve a hand up!

2020 SPRING VAN RECIPIENTS

Since 1996, HCC has awarded 91 passenger vans, 132 wheelchair-accessible vehicles, 3 box trucks, 1 car and 2 vehicle modifications to 95 agencies and 132 individual families.

Christopher Coreas – Age: 18
Christopher, diagnosed with Chronic Static Encephalopathy and Epilepsy, is the youngest of 3 children. Both of his older siblings, Eric (23) and Katherine (19) adore and help take care of him. He often smiles when his siblings talk to him. Christopher loves to watch cartoons on TV. His favorite thing to do is laugh along with his family. Sometimes it bothers Christopher that he is unable to express himself or go outside. This wheelchair accessible vehicle will be life-changing for this family.

Miguel De Jesus Ramirez – Age: 11
Miguel was diagnosed with Spastic Quadriplegia, is the only child of a single-mom, Elda Garza. He enjoys music and dancing, both make him burst out laughing. He loves to take rides in the car and always looks forward to listening to music he can clap his hands to. He is very affectionate and enjoys hugs, kisses and even being tickled. Miguel is a happy child at heart because he is always smiling.

Jesus Axel Flores – Age: 13
Jesus was diagnosed with Cerebral Palsy and Global Developmental Delay. He is the oldest of four children. Andy, Mariana, and Maleo have a loving relationship with their brother and they all laugh after Jesus. They like all kinds of music that have danceable rhythms in Spanish or English. Jesus will often be mischievous and play jokes on his siblings. He is a happy-go-lucky child that likes spending time with his family.

Juan Cavazos – Age: 8
Juan was born with a Chromosomal Abnormality and Global Developmental Delay. He loves eating his favorite meal of macaroni and cheese. Juan lights up when his older sister, Gloria, takes him for walks. They pretend they are going to be astronauts and run for take-off into orbit. He doesn’t really enjoy music as much as his sister, but they both like learning games. While inside, Juan can play with his toy cars and ambulances all day. He family often fondly looks at photos of their father who passed and whom they miss very much.

Jimena De La Cruz – Age: 14
Jimena, diagnosed with Cerebellar Hypoplasia and Cerebral Palsy, has a great relationship with her two brothers, Anadely and Alejandro. They all adore each other. She is their princess. Jimena smiles when her mom, Rafaela Torres Herrera, sings to her. Listening to Christian music and watching Bible stories for children is her favorite pastime, but one thing she doesn’t enjoy is getting dirty. Jimena’s favorite toys are: taking dolls or toys that play music. She loves going to the zoo with her family to see the animals and ride the train.

Glenn Gordon III – Age: 15
Glenn was diagnosed with Hypertonia, Polycythemia, and Developmental Delay. His favorite foods are sweet potatoes and meatloaf. Glenn listens to all types of music, especially all of the Disney songs from movies. He likes toys that make noise and sitting outside on the porch. Overall, Glenn is a happy boy enjoying life as best as he can.

2020 Van Sponsors

Providing Life-Altering Freedom of Mobility to Houston’s Underserved Children.

During a worldwide pandemic, our Chariots For Children program awarded SIX vans to children in need. Exceptional! This was made possible by the generosity of several Houstonians who came forward to donate and underwrite these vehicles.

Thank You!
READY OR NOT – it’s Back2school time!

Set the alarms. Make lunches. Put out the clothing. It’s school time again! Most students in our area haven’t been inside of a school since they left for their Spring Break vacation. School buildings abruptly closed to forestall the coronavirus pandemic in March and turned to online learning. Everyone might even feel nervous or a little scared about the first day of school because of all things “new” since COVID-19: new teachers, new friends, a new school, new guidelines, and new precautions for everyone.

On Saturday, August 8, 2020, Houston Children’s Charity will present backpacks containing age appropriate school supplies to approved clients. Teaming up with Rod Ryan of The Rod Ryan Morning Show and 94.5 The Buzz, along with volunteers, HCC will host its annual Back2School backpack distribution day.

Excellence in education begins with preparation...Thanks to all of our partners for collaborating with us to equip students, with the necessities, to make a difference. Our kids are NOW prepared to succeed!

PARTNERSHIP SPOTLIGHT:
Maddy’s Annual Children’s Book Drive: Vanessa Streavel

• It has been 6 consecutive years since this partnership began. How did you first become involved with Houston Children’s Charity’s and the “Back2School” program? I was looking for charities to donate books to in and around the Houston area. I came across Houston Children’s Charity and started donating books in 2014. The following year it was communicated to me that the books were being given out during the Back2School drive. This is what spurred our involvement.

• How many books have you donated to HCC’s “Back2School” program in the years involved? 10,752

• Is there a moment during the years that stands out to you? The first year that I had the pleasure of witnessing the Back2School drive. It was amazing to see so many people volunteering their time to give to children in need. I remember thinking, “This is where we’ll be donating all of our collected books. It’s perfect!”

• What is the mission behind Maddy’s Annual Children’s Book Drive? The book drive has been held annually since 2013 in memory of my daughter, Maddy. It is done on or around her birthday in celebration of her life and her love for books. The mission of the book drive is to get a book into the hands of every child regardless of their circumstances, a book they can keep...a book of their very own.

• Where do you see the program going in the future? We are in this for the long haul! It is a beautiful way to honor Maddy. And as long as there is a need for books at HCC, we will continue giving as many as we can collect to this great charity. It is a great honor and privilege to be able to give out books at the Back2School program, and Maddy’s Annual Children’s Book Drive is looking forward to participating in all the years to come.

Volunteer Spotlight:
Rosemary Lozano

• How did you first learn about volunteering for Houston Children’s Charity? After overhearing me speak Spanish & English to a friend, I was asked by an HCC employee, Mike, if I would like to volunteer for HCC. I said sure so he gave his business card to me and I called him the next day to ask about the volunteering.

• Why did you decide to become a volunteer? I love helping out the community and working in anything that I can help out.

• What do you like best about serving as a HCC volunteer? I love helping HCC during the events. I can also teach my kids what volunteering means and how to help.
A few too many, or not enough? How many hours did you get last night? Where did you sleep? Did you know that there are countless children sleeping on make-shift beds – either sharing with multiple siblings, or worse, sleeping on the floor? With the launch of the innovative program, ‘A Better Night’s Sleep’, Houston Children’s Charity aimed to provide beds to children, many of whom have never had a restful place to lay their heads. President & CEO Laura S. Ward introduced the idea that a $100 donation enables HCC to purchase the basics for a good night’s sleep: a twin bed (box springs and mattress), frame, pillow, blanket and complete set of sheets for a deserving child.

Since the first beds were distributed, HCC has provided beds to over 25,000 children in and around the Greater Houston Area through our monthly bed distributions. This program not only provides every child with a bed, but also the opportunity to awake every morning well-rested and prepared for the day that awaits them.

Together we can provide the foundation to help kids rise each day – rested and equipped – to undertake any challenges that lie ahead. If you are interested in learning more about this program and helping us ensure SWEET DREAMS for our children, please contact us at 713-524-2878 or visit www.houstonchildrenscharity.org. Applications are online all year round.

Volunteer Spotlight: Jonathan Holub
# of Years Volunteering: 2+ years

• How long have you been a volunteer for HCC? What programs?
I have been volunteering for 2 and a half years. A Better Night’s Sleep, Christmas Toy Distribution, Easter party, Back2School, Gala and Run for a Reason.

• Why did you decide to become a volunteer?
I have always seen my parents and family give to their community around them and wanted to myself. I was very lucky and fortunate that I found someone so close to my heart that was so involved herself. It was easy to jump into after seeing all the good that HCC does.

• Do you have any advice for someone who is considering becoming an HCC volunteer?
Yes! Do it, jump in fully head first and enjoy every second of it. It’s absolutely worth the time, effort, sweat and joy you put in.

What is your favorite HCC program to be involved with?

The Easter party! It's tons of fun seeing the kids run around and pick up eggs – plus I get tons of joy out of wearing a funny animal costume and making the kids laugh.

Favorite or most impactful memory during your time on YHHCC? During our YHHCC mixers, Everyone in attendance is learning about HCC and the community at the same time. Sure, we're raising money for the cause, but what I love most is that we're planting seeds for the future – future donors, advocates, and leaders in our community!

Favorite or most impactful memory during your time on YHHCC? My most impactful memory during my time on YHHCC was at our 2018 Christmas distribution, and a grandmother who was taking care of her grandchildren teared up and hugged me thanking me. I will never forget that moment.

Have you volunteered at any events? If so, please list the events. A Better Night's Sleep, Toys for Tots, Annual Christmas Party, and Back2School distributions.

With all of the Young Professionals Groups in the Houston Community why have you chosen to be a part of Young Houstonians for Houston Children’s Charity? I joined YHHCC as I am passionate about giving back to the society and believe the youth will shape our future and thus it needs to be given the best of opportunities. Given that YHHCC works for Houston’s underserved kids it naturally appealed to me and seemed a good fit.

With all of the Young Professionals Groups in the Houston Community why have you chosen to be a part of Young Houstonians for Houston Children’s Charity? I’ve been able to see first-hand how much good HCC has done for our community. The number of lives touched is immeasurable and something I’m so proud to be a part of.

What are some short-term goals for YHHCC Board in 2020? I really want to see the organization continue to grow both in membership and leadership opportunities. It started out with just 3 people deciding they wanted to do more and in less than 3 years we now have 7 Leadership Board Members and 4 Committees. I can’t wait to see what we’ll accomplish in 2020.

OUR MISSION
Houston Children’s Charity is a 501 (c) (3) non-profit organization dedicated to improving the quality of life for Greater Houston’s underprivileged, abused, and disabled children who have been otherwise left behind. The scope of our support is limited only by the availability of resources. Our goal is to leave no legitimate request for assistance unanswered.

OUR VISION
“Our Kids Are Everybody’s Kids”
Houston Children’s Charity, with the support of dedicated sponsors and committed volunteers, works to create a world where every child has their very own bed, clothing, school supplies, transportation, health services, and joyful holidays. We are making progress, assisting one child at a time and measure our success by the number of children’s lives that are touched.
